

Scoil Naomh Carthach is a two-teacher school including the Principal. There is also an SET teacher, two Special Needs Assistants and a part-time secretary. We aim to support pupils through a team approach to ensure that all children have access to additional supports in order to fully benefit from the primary school curriculum.

| Principal                 | Catherine O'Shea |
|---------------------------|------------------|
